Professor Michael Redhead
University of Cambridge
Department of History and
Philosophy of Science
Free School Lane
Cambridge CB2 3RH
Great Britain

Dear Professor Redhead,

Thank you again for your invitation to give three lectures on the foundations of mathematics at Cambridge.

The week of 19th June is the date which suits me best since I am commited to lecturing in Iowa in mid-May.

I would very much appreciate knowing as soon as possible who the other invited participants are.

Looking forward to meeting you,

yours sincerely,
F. William Lawvere
